PROFILE

With a strong focus on growth and innovation, I can be hired as a **chairperson, panel host, guest, or inspirational keynote speaker**. I have years of experience and enjoy engaging with both small and large audiences. Fluent in both Dutch and English, I connect easily with diverse groups. My track record includes speaking at major tech events such as **TNW, Salesforce, META, Cisco, Women in AI, Workday, The D2 Collective, Miele X, and Allianz Technologies**. Together, we can tackle today's business challenges, empowering your organization to embrace change and build lasting connections with your audience.

Each session offers actionable insights and inspiration through personal anecdotes and forward-thinking concepts. Tailored with a relevant **DEI lens** that resonates with all audiences, together we help the audience navigate modern challenges, embrace change, and build lasting connections.

SPEAKING TOPICS

- **Nostalgia & Technology;** Uniting Five Generational Age Groups in a Connected World Shaped by AI and Globalization: "Future Prepared". This presentation breaks down barriers by highlighting the strengths of your workforce's generations, offering futuristic insights into technology, embracing diversity, and preparing for a dynamic future.
- **Resilience & Innovation;** What's Not on Your CV? Preparing for Change and Embracing Opportunities. Through personal stories of resilience, this presentation takes the audience on a journey from challenges to triumph, offering inspiration and strategies for thriving in a rapidly changing world.
- **Networking & Success;** Success on Your Terms: Navigating Career Paths - From Climbing to Creating. This keynote reveals how to climb any professional ladder by mastering the art of networking, leveraging sponsors, mentors, and coaches, and playing the game of corporate (or company) chess to strategically advance your career.

Keynote Speaker

*Balancing Nostalgia and -edge
Technology Across Generations*

We still want to bake grandmother's cookies—but in a modern, WiFi-connected oven. And we want our kids to go door-to-door selling them just like they used to.

SPECIAL MENTIONS

Official Part of the Dutch Delegation hosted by the Dutch Embassy & Dutch AMCHAM during the US Election 2024 in Washington as Official Observer led by the Dutch Ex-Prime Minister Prof.Dr. JP Balkenende.

PROFESSIONAL HISTORY

CEO and Founder | 01/2023 – Present | Moreequality &TechTogether.ai

- **Moreequality:** Organizations are supported in building connections across generations by integrating technology while respecting the past. The approach values the experience of senior employees and embraces the fresh perspectives of younger generations. As a dynamic sales leader and natural networker, products are brought to market with energy and enthusiasm. **Moreequality BV** offers advisory board consultancy services, keynotes, and mentorships to help businesses grow in innovative ways, while staying rooted in shared values. This approach enables companies to retain essential knowledge and inspire teams to thrive in a fast-changing world.
- **TechTogether.ai:** A Concept Factory dedicated to bridging the generational gap by bringing technology to kids, adults, and the elderly in innovative ways. We foster community-building through customized formats—whether via social media, schools, or events—offering solutions that meet your unique needs.
